

DESIGNED BOOK LIST

Top 11 books with bold typeface are published by Taylor & Francis/Routledge; books with highlight are awarded.

I oversaw the design and production of all books listed below, managing every stage of the publishing cycle—from initial proposal and design through to final publication.

#	Book Title & Author
1	Slow Knowledge and the Unhurried Child by Alison Clark
2	The Joy of Not Knowing by Marcelo Staricoff
3	Closing the Reading Gap by Alex Quigley
4	The A in STEAM by Jerilou J. Moore and Kerry P. Holmes
5	On the Write Track by James Clements
6	Conversations that Make a Difference for Children and Young People by Lisa Cherry
7	Vertical Differentiation for Gifted, Advanced, and High-Potential Students by Emily L. Mofield
8	STEM Education for High-Ability Learners by Bronwyn MacFarlane
9	Collaboration, Co-Teaching, and Coaching in Gifted Education by Emily Mofield and Vicki Phelps
10	Dramatic Mathematics: 5 Stories to Support Early Maths Learning by Brian Edmiston and Matthew S. Moore
11	Homework with Impact by Andrew B. Jones
12	The Power of Not Thinking by Simon Roberts
13	Collaborating Through Collective Efficacy Cycles by Toni Osborn Faddis, Douglas Fisher, and Nancy Frey
14	The Truth Detective by Tim Harford
15	The Daily Stoic by Ryan Holiday and Stephen Hanselman
16	Integrating the Arts Across the Curriculum by Lisa Donovan and Louise Kay
17	The All-Weather Trader by Thomas Basso
18	The Artful Educator by Sue Cowley

#	Book Title & Author
19	Beyond Data by Elizabeth M. Renieris
20	The Modern Loss Handbook by Rebecca Soffer
